PAYMENT OF DEFICIENCY FEES PURSUANT TO 37 CFR § 1.28(c)(2)

Applicant files this Payment of Deficiency Fees, along with a payment of \$1,564.00 and any other amounts that may be determined to be due, so that any possible error in entity status will be excused. According to 37 CFR 1.28(d), Applicant asserts that this payment should be treated under 37 CFR 1.27(g)(2) as a notification of a loss of entitlement to small entity status.

However, Applicant further asserts that this payment and notification are being made consistent with MPEP 509.03, Section VI, para. 4, to avoid making an investigation of small entity status at this time. Applicant has prepared the following itemization which details the only small entity fees that were paid during the pendency of the application.
